STEP ONE: Self-Esteem— The TN Self Concept Scale

STEP TWO: Personality & Behavior—Build Stronger Relationships

STEP THREE: Attribute Index (The Hartman® Index) - This index will scientifically measure the value systems of individuals to assist in recognizing job candidates with the "right" skill set.

STEP FOUR: Solutions With Rx CDs— The Rx CD System contains over 80 different CDs and is a completely integrated way for you to build on what you've discovered using the Attribute Index.

A Full Course complete with PowerPoint® Presentations, Quizzes, Exams, Assignments, Regular Updates, eBooks, and Personal Mentoring.

Wardrobe and Personal Shopper Certification (2.4 CEU's)

\$1995

Learn to:

- Analyze clients' current wardrobes (by literally going into their closets)
- Compare the current wardrobes to body types, occupations, color, and more.
- Recommend what they should keep, what they should discard and what they should buy.
- Get an agreement from the client on a budget.

Receive a how-to manual, PowerPoint® presentations on Shopping Color, and Style/Fashion. Artist illustrations of female and male styles, an artist-rendered color wheel, access to a personal style online analysis site, and **personal mentoring** as needed.
